

# EATON Experience Week

Powering Business Worldwide

For the LSAMP Community

November 15-19, 2021

## Virtual Agenda

### What's an Intelligent Power Management Company?

Monday, November 15, 12p - 1:00p ET | [Connect to the Virtual Session](#)

This session will provide an overview what Eaton Corporation is, what it does, the values and ethics behind their work, and opportunities for STEM students, recent grads, and the LSAMP community.

12:00p ET Welcome, **Karmell Thomas**, PMP, MSEM Sr Manager, Supplier Diversity, Corporate

12:10p ET **Learn about Eaton inside and outside the walls of Eaton** and participate in a 10m Q&A. **Taras G. Szmagala Jr.**, Senior Vice President, Public and Community Affairs and Corporate Communications

### Tech Poster Session Awards Ceremony

Friday, November 19, 3p – 3:30p ET | [Connect to the Virtual Session](#)

Eaton invited select posters from the LSMRCE Annual Conference Poster Competition to participate in the virtual Eaton Tech Poster Session.

[Sign up for future in-person events!](#)

The Louis Stokes Midwest Regional Center of Excellence is funded by the National Science Foundation award numbers HRD-1826626 (IUPUI) and HRD-1826719 (CSU)(2018-2023).

## In-Person Agendas

Three Eaton facilities will open their doors to the LSAMP community. Due to the pandemic and Eaton policy, these events were limited to a small group from the local LSAMP alliances.
